FOR IMMEDIATE RELEASE

Traffic Detour on Balfour Road in Brentwood

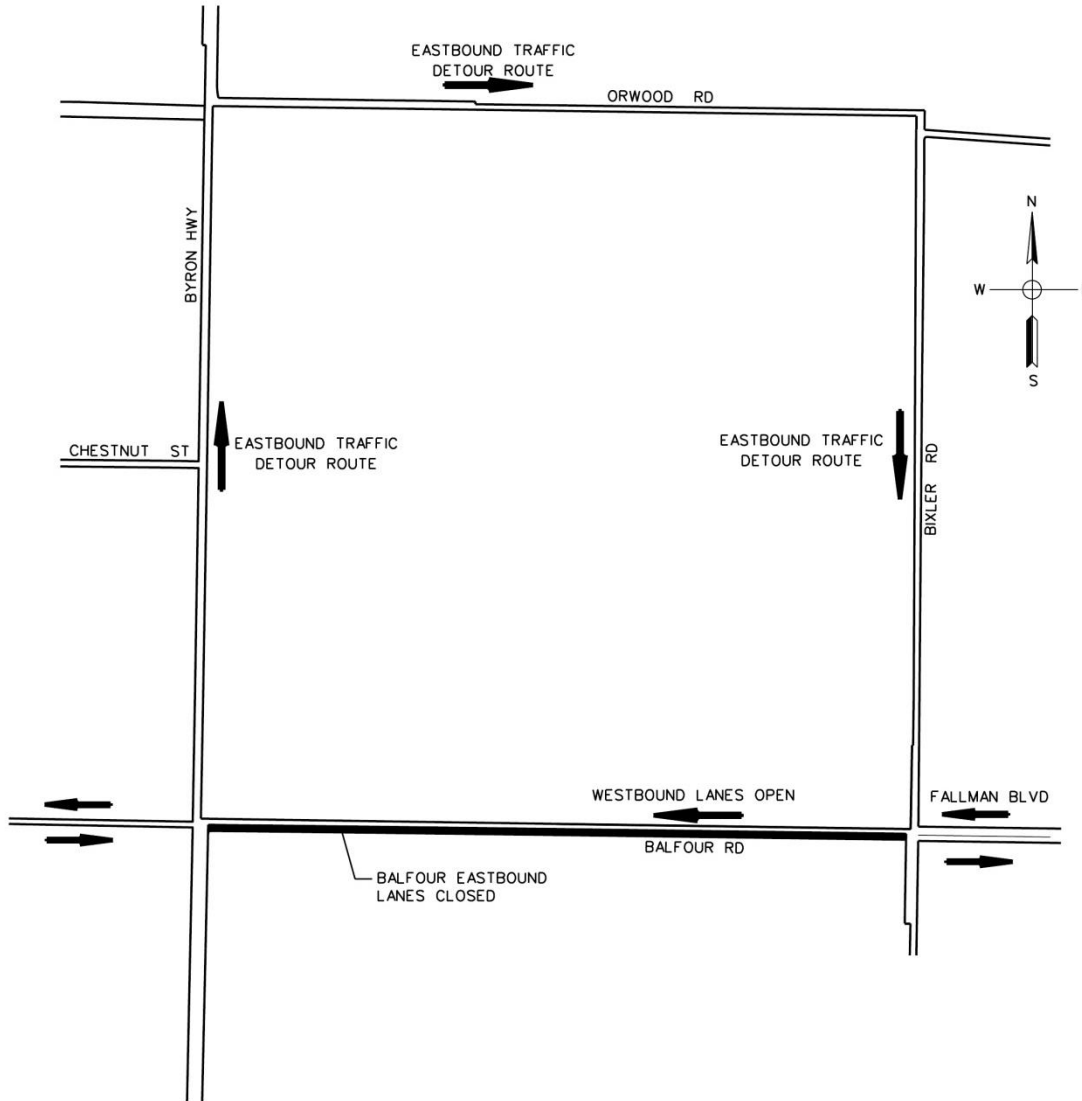

Phase I of the Balfour Road Shoulder Widening Project is underway. Phase I includes widening the pavement for wider lane and shoulders from Byron Highway to Bixler Road. Eastbound traffic will be detoured via local streets. Westbound traffic will stay on Balfour Road. The detour will be in effect from Monday, July 31 through mid-September. Drivers can expect traffic delays due to construction. The contractor will start Phase II after Phase I work is completed. The project is funded by the Discovery Bay West Traffic Mitigation funds. For project updates visit the Public Works website at: <http://www.cccounty.us/pwdmap>.
