### **NEWS RELEASE: Nomination Period Open for 2019 Arts Recognition Awards**

*Contra Costa County Arts and Culture Commission to Honor Winners in October*

---

July 18, 2019

Contact: Roger Renn, AC5 Managing Director, 925-646-2278

The Contra Costa County Arts & Culture Commission is seeking nominations for the 2019 “Arts Recognition Awards”. As we celebrate our 21<sup>st</sup> year of honoring those who have made a significant artistic or philanthropic contribution to the residents and communities in the County, we ask you to nominate someone you feel is deserving of this award.

The nominees must be, or have been, an active supporter of arts and culture, with sustained contributions and work, that has had a far-reaching impact. Up to five honorees will be selected by a panel of jurists, with special recognition from the County Board of Supervisors on October 22, 2019. A reception will be held at a later date to honor the recipients.

Consider those you feel have made a difference in visual arts, music, performing arts, dance, digital arts or arts education for this award. Other worthy candidates might be those who have shown exceptional leadership, vision and commitment to the growth and support of arts and culture, or organizations that have kept the arts alive through continuous or significant financial support.

Please visit the Arts and Culture Commission website ([AC5.org](http://AC5.org)) to submit nominations online.

The nomination period closes at midnight on Friday, August 30, 2019.

Visit the AC5 website for more information: [www.AC5.org](http://www.AC5.org)
